

# BATON OF LIFE RESPONSE FORM

For those battling kidney failure, every second counts. What the baton represents is hope, in the form of a dialyser. It is a filter which removes waste products and excess water from blood during dialysis. Every year, more than half a million dialysers are required to sustain and save lives.

You can help make a difference too. Every donation supports the provision of dialysers to ensure that kidney patients receive their lifesaving treatment.

Pass on the Baton of Life and join in the meaningful cause of Giving Life and Hope to patients and their loved ones!

### I / We would like to:

- Donate \$2,000 to support 20 patients' dialysis treatment with dialysers for a month
- Donate \$5,500 to support 55 patients' dialysis treatment with dialysers for a month
- Organise a fundraising campaign\*^
- Others: Donate \$ \_\_\_\_\_ (please indicate amount)

Your generous donation will be entitled to a tax-deduction of 2.5 times of your donation amount and will be automatically included in your tax assessment.

^ Should you have any further queries regarding collaboration opportunities to support our kidney failure patients better, please feel free to contact Darric at [Darric.eu@nkfs.org](mailto:Darric.eu@nkfs.org) for a discussion!
